“ We are very sad to have just heard about Alan's passing. We knew him from seeing him with his two beloved canine companions at the local park. Invariably Scout would be at the wheel perched in his lap and Hunter taking the passenger seat. They were an inseparable trio and always a delight to see. Alan was very knowledgeable in many topics and we always enjoyed talking with him. It was clear how much he loved his community and we admired him for his dedication and service in local government over the years. Sending belated condolences to his family and his beloved pups. We will miss him.

“ Allan and I were friends since High School. Our first jobs were working at the

DQ in Tappan in the early 60's. We both became interested in politics and

joined the Young Americans for Freedom.

Over the years Al & I Fished & Hunted together . We had wonderful times

together . He was a great friend and will be missed.

May he rest in peace.

“ Alan was a remarkable colleague and friend . I was honored to support him and he supported me in our shared vision of what Orangetown could be. Alan always showed his integrity, and he was not afraid to take a stand when most people would just stay seated. His life was one of public service, and I believe that he was respected by everyone, regardless of what side they were on. This town is a better community because of Alan Ryff. I will miss our many conversations, his wit, sage advice, and friendship. His life clearly demonstrated the positive impact a truly committed person can have on their community.

“ Alan was our long time neighbor, always ready with a wave, ready to talk while out walking his dogs, kind and thoughtful. He was always civic minded and was a recent addition to the Orangetown Historic Board.....he will be missed.
