She worked as a nurse in New York City, building a foundation for their future. Soon after, her husband joined her, and together they were able to settle into their new life and eventually bring their daughters to join them. They finally moved to the suburbs and settled in Orangeburg, NY. As a nurse, she worked tirelessly to provide for her family, most notably at the Metropolitan Hospital and Doctor's Hospital in

Manhattan, NY. Amelia believed she truly lived the “American Dream”. In her free time, she loved spending time with her family, cooking meals and gardening in her yard.
