

Bernard Klein

July 16, 1940 - December 13, 2023

Barry Klein was a happy man . . . a grateful parent, spouse and friend. He was born on Staten Island, graduated from Brooklyn Tech and served in the US Navy on board the USS Canberra during the Cuban Missile Crisis.

Barry spent his professional career with IBM and volunteered his skills with family, friends and volunteer organizations. He leaves many people disconsolat, but sure that his efforts have made a positive difference.

Barry will be remembered, and he won't be forgotten. His wife, his daughters, his six grandchildren and his three great-grandchildren will remember him and will continue his mission to make a positive difference.

In lieu of flowers, donations can be made in Barry's memory to Trees for Israel c/o Beth Am Temple, 60 E. Madison Ave., Pearl River, NY, 10965
