Thomas "Tommy" Dunn a beloved brother and resident of Pearl River for 60 years passed away of natural causes in his home on April 14, 2026. Tommy was preceded in death by his loving parents, Thomas and Rose Dunn. He is survived by his sister Doreen Miner (Andy) and their four children as well as his brother Tim Dunn (Julia) and their three children.

Tommy was born in Bronx, NY on June 7, 1956. He was a 1974 graduate of Pearl River High School. He went on to follow his dad as a member of the NYPD. Being a lifelong Yankee fan, he was fortunate to spend most of his career working the NYPD Yankee Stadium Detail. Tommy will always be remembered as a loyal and generous person to those who knew him.

There will be a private family only burial service. The family will announce a date for a Catholic Memorial Mass in the near future. After the Mass there will be a gathering for friends and family. We are so grateful for all the love, prayers, and condolences that have been offered since Tommy's passing. May God bless you all.
